

Help me buy a laptop for school

Hello, I am an 18 yo EE student with a passion for programming, but I've ran into a problem -my laptop isn't good enough anymore! It's an old potato that barely turns on anymore and needs constant charging connection. Please help me buy a new laptop so I can write code once again!

Skannaa qr-koodi puhelimesi kameralla tai mene seuraavaan osoitteeseen osoitteeseen.
