Consent to run a fundraiser on my behalf by the organization and to process my medical records

I, the undersigned, ... holding an identity document ..... (type, e.g. ID card, passport, residence card) ..... (series and number), e-mail address ....., contact number ..... declare that I grant my consent to run a Fundraiser (fundraiser ID: .....) on the 4fund.com portal by the organization .... for my benefit.

This consent does not mean that I grant a power of attorney to the Organiser or to the Fixed Beneficiary of the aforementioned Fundraiser. I am aware that the Fixed Beneficiary, being the sole party to the legal relationship with Zrzutka.pl sp. z o.o., remains the owner of the funds collected within the Fundraiser.

I also declare that I know and understand the terms and conditions of withdrawals of funds collected within the aforementioned Fundraiser on 4fund.com and I agree that the funds collected on the Fundraiser will be withdrawn to the Fixed Beneficiary's Bank Account (in accordance with the terms of the 4fund.com portal). I also declare that the terms and conditions of transferring or using the collected amount for my benefit are known to me, and I am aware that I have no claim against Zrzutka.pl sp. z o.o. to demand withdrawal of the funds to any account other than the Fixed Beneficiary's Bank Account.

In addition, I agree to the use of my personal data, including health data, in particular those included in medical records, by Zrzutka.pl sp. z o.o. in order to verify the correctness of the purpose of the Fundraiser organized for my benefit, and - should the need arise - to their transfer to PayU SA and processing by this entity for the same purpose. Consent is voluntary and may be revoked at any time by sending a declaration of revocation of consent to the e-mail address: contact@4fund.com. Granting consent is a necessary condition for the Fundraiser verification process to be carried out. Revocation of consent shall not affect the lawfulness of the processing carried out on the basis of this consent before it was revoked.
