Consent to run a fundraiser on my behalf by the organization and to process my medical records

I, the undersigned, ... holding an identity card/passport number ....., e-mail address ....., contact number ..... declare that I grant my consent to run a Fundraiser (fundraiser ID: .....) on the 4fund.com portal by the organization .... for my benefit.

This consent does not mean that I grant a power of attorney to the Organiser of the Fundraiser. I am aware that the Organiser, being the sole party to the legal relationship with Zrzutka.pl sp. z.o.o., remains the owner of the funds collected within the Fundraiser.

I also declare that I know and understand the terms and conditions of withdrawals of funds collected by the Organiser on 4fund.com and I agree that the funds collected on the Fundraiser will be withdrawn to the Organiser's bank account or payment card (in accordance with the Regulations of 4fund.com). I also declare that the terms and conditions of transferring the collected amount to me or using it to my favor have been agreed upon between me and the Organiser. I am aware that I have no claim against Zrzutka.pl sp. z.o.o. to demand withdrawal of the aforementioned funds directly to my bank account, as it can be done only if the Organiser places such a payment order.

Moreover, I grant my consent to the use of my personal data including health data, in particular those contained in medical records, by Zrzutka.pl sp. z o.o. (operator of the 4fund.com service) in order to verify the Fundraiser organized on my behalf and to their transfer to PayU SA and processing by this entity for the same purpose. Consent is voluntary and may be revoked at any time by sending a declaration of revocation of consent to an e-mail address: contact@4fund.com. Granting consent is necessary for a Fundraiser to get verified. Revocation of consent shall not affect the lawfulness of the processing, which was made on the basis of this consent before it had been revoked.

Signature of the person granting the consent
