

Sony A7II

Hi, my name is Mirek and I come from Poland. My passion is mountain photography. I created this fundraiser to collect my dream lightweight SONY A7C camera with 70-200 F4 lens, which will help me pursue my passion. I'm uploading some of my photos if you like my photos and you want to support me in the fundraiser...

Scan de qr-code met de camera van je telefoon of ga naar het volgende adres
